Wakefield	Great Falls
Chantilly	Great Falls
Annandale	Northern
Madison	Potomac
Stuart	Potomac
Saint Albans	Interstate Athletic Conference

MOUNT VERNON INVITATIONAL CHRISTMAS TOURNAMENT

A word of Welcome

The administration and athletic department are happy to host the Invitational Christmas Basketball Tournament for the second consecutive year. We are particularly proud to showcase the Mount Vernon field house as it is one of the finest interscholastic facilities in the Washington Metropolitan area. The field house can accomodate approximately 5,000 fans in the bleachers with considerable floor space available for additional chairs. The complex has a tartan floor large enough to run three full court basketball games simultaneously. When hosting the regional and state wrestling tournaments there was enough center floor space to stage six matches at the same time.

The facility is fully modernized including electrically powered baskets and bleachers, air conditioning and a theater lighting panel that permits desireable lighting effects. The regular house lights are supplemented by mercury vapor lights which make conditions ideal for filming and televising athletic events. The field house has attracted numerous championship events including the Fairfax County gymnastics meet, district, regional and state wrestling tournaments, district and regional indoor track championships and the girls regional basketball playoffs.

The Mount Vernon Athletic Department sponsors the Christmas Basketball Tournament to provide an attractive sporting event over the holidays for the alumni and the community. It is hoped that the participating teams and spectators will enjoy the tournament type competition and the variety of teams represented. The intense competition that is expected along with the high standards of sportsmanship should provide for three great days of basketball.

A special note of gratitude is extended to Mr. Dave Grove for serving as the Tournament Coordinator.

TOURNAMENT HISTORY

The Mount Vernon Invitational Christmas Tournament was started this past season after a years delay. The energy crisis resulted in cancelation of all Christmas activities in 1973 but did not dampen the enthusiasm for Mount Vernon to host a tournament over the holidays. The 1974 tourney featured a four team event with Mount Vernon representing the Gunston District, Garfield of the Commonwealth District, Oakton and Herndon being annual top contenders in the Great Falls District.

The pre-tourney favorite in 1974 was Garfield as the Indians were coming off a 19-3 season and had their entire front line returning. Fowards Jeff Nixon 6'4" and Allan Miller 6'5" provided Coach Scott with an awesome scoring and rebounding punch. Herndon High School was the second choice to win the tournament as the fast breaking Hornets were paced by one of the areas top scorers in 6' guard, Mark Nevipoda. Host Mount Vernon and Oakton High Schools were only dark horse favoribes as both teams were rebuilding around talented but young and inexperienced players.

Tournament play often inspires unusual efforts and upset victories as was the case last year. Tournament host, Mount Vernon, pulled off the first upset by defeating the highly touted Herndon Hornets 71-65. Garfield won the opening game 83-68 over Oakton to set the stage for the finals. The championship game was closely contested with the score being tied eight times and the lead changing hands seven times. Mount Vernon Junior fowards, Atlee Hammaker and Allen Hobbs sparked the Majors by scoring 19 and 15 points respectively to provide Mount Vernon with a one point 65-64 Championship.

DECEMBER 27, 29, 30 1975

CONSOLATION TOURNAMENT

H = Home Team
A = Away Team

WAKEFIELD HIGH SCHOOL
Arlington, Virginia

Tonight the Warriors entertain the number one team in the Great Falls District -- the big, powerful Herndon Hornets. The Hornets are coached by Mr. Duane Jessup, and Coach Jessup has been quite adept at getting his team in the Northern Regional Tournament in years past. The Hornets style of play is very simple. Get some speed, players who can shoot, add some height, and away they go with one of the best fastbreaks seen in this area. This year the speed is supplied by Teddy Jackson, the height from Kevin Jackson, Dave Mallette, and the Schultze brothers and the sharp shooting from Bob Anston, Mike Bennett, and Scott Hathaway.

The Warriors will obviously have to be at their best tonight if they plan on a victory that would tighten up the race in the district. Wakefield will need a good performance out of all their players if they are going to duplicate their earlier 64-60 win over Herndon. Up front the Warriors count on their high scoring trio of Bob Haithcock, Ezell Stewart, and Gerald Sherrill. And in the backcourt, the team looks for good leadership and playmaking from Mark Latsios and Tony Roberts. Against a team that runs as much as Herndon, Wakefield will probably have to go to their bench where they have gotten good performances out of junior guard Seth Aldridge and Jon Carter. Also look for Wayne Crawley, who has been out with the flu, and Clifton Johnson who has become eligible to see some playing time.

Mini Player Sketch - Sophomore Point Guard Tony Roberts

Tony Roberts has been a very valuable player to the Wakefield basketball team this season. As is typical with many sophomores who are playing varsity basketball, Tony has had his ups and downs as far as his performances are concerned. However, his teammates believe in his talent and his playmaking ability and know that Tony will get them the ball. This was evident last Friday night at Chantilly where he fed teammates for 11 big assists, contributed 8 points, and played good defense on Chantilly's point guard all evening. The coaches feel with time if he can eliminate his tendencies to get in foul trouble and sometimes overpass, he will enjoy an excellent career at Wakefield.

NEXT GAME - FRIDAY, FEBRUARY 13 AT MCLEAN

NEXT HOME GAME - TUESDAY, FEBRUARY 17 AGAINST WASHINGTON-LEE

GO WARRIORS

NEXT GAME - FRIDAY, FEBRUARY 13 AT MCLEAN

NEXT HOME GAME - TUESDAY, FEBRUARY 17 AGAINST WASHINGTON-LEE

GO WARRIORS

WAKEFIELD HIGH SCHOOL

Tonight's game which opens up the 1975-76 basketball season, brings together two longtime rivals, the Wakefield Warriors and the T.C. Williams Titans. Both squads are looking for a victory tonight to start them in the direction of a successful season. If past games are any indication of what is in store for tonight, the student bodies and loyal followers of both schools will probably be treated to a high speed, high scoring contest between two talented teams.

The visiting Titans coached by Mike Hynson were last year's Northern Region representative to the State Tournament in Charlottesville. They are led by returning lettermen Frank Holloway and Don Willis at the forward positions and the fine outside shooting of guard Eric Napper.

The host Warriors coached by Bob Veldran will be in a new district this year, the Great Falls, after spending the last three seasons in the powerful Northern District. They are led by their two fine senior lettermen, forward Bob Haithcock and guard Wayne Crawley. Haithcock was an All-Northern Region pick last year as a junior while compiling the third best scoring average in the Region, 21.0. Crawley, after capping off a fine football campaign by being picked on the Great Falls District First Team, will be looking to lead the Warriors from his point guard position. Filling out the rest of this year's team, Wakefield will look to two juniors Gerald Sherrill and Jon Carter. Sherrill possesses one of the finest outside shots around while Carter is the quick, agile forward Wakefield needs. Two transfers Seth Aldridge, a guard, and Harold Johnson, a forward, are great additions along with sophomores Ezell Stewart and Bill Haithcock and Junior varsity additions Errol Johnson and James Newman.

Tonight's Mini Player Sketch - 5'11" Senior Playmaker Mark Latsios

One of the big questions to be answered as the season begins, is can the Warriors get by without their playmaker of the past two seasons Mark Latsios. Struck down by an acute case of mononucleosis in late October, Mark will not be able to join the team until sometime in January. Latsios has added leadership and defensive excellence to Wakefield's lineup in the past and everyone is pulling for his healthy return. Ironically, Mark's high game in high school was against T.C. Williams last year when he tallied 17.

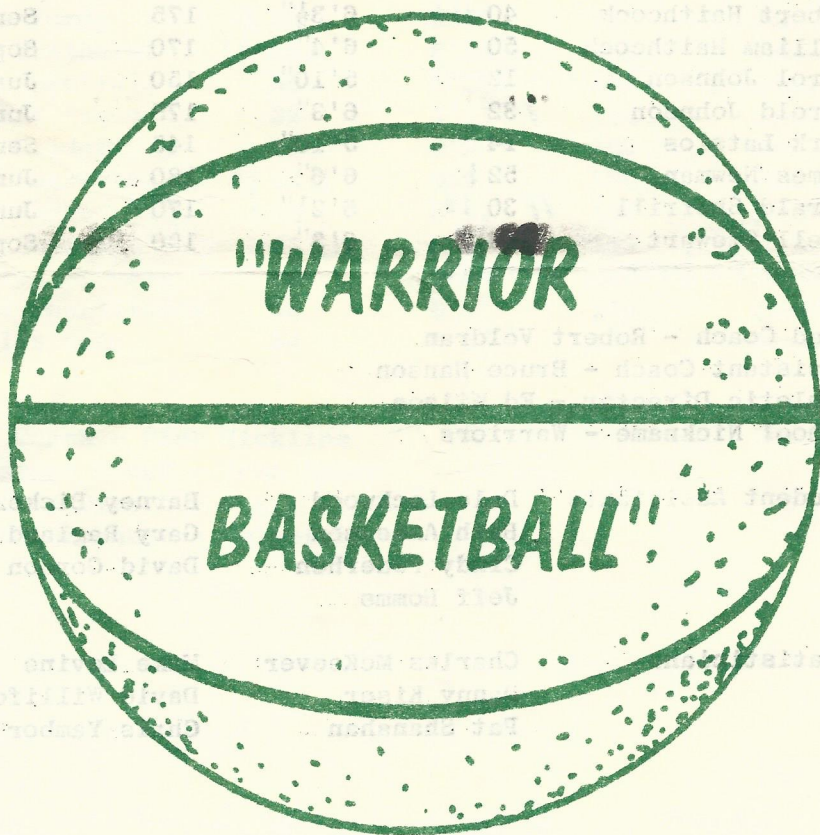

Next Home Game - Tuesday December 9, Against Thomas Jefferson
